## Interorbital Systems to Host Open House on National Space Day on May 6

*What:* [Interorbital Systems](#) will be hosting an open house on May 6, 2011, to celebrate National Space Day. IOS will be partnering with the [Kennedy Space Center](#) and [Lockheed Martin](#) to provide the opportunity to work with their software and have a simulated mission to Mars. Following the open house, a foundation dinner will also take place, featuring the Apollo II astronauts.

*When:* The open house will take place from 9 a.m. to 5 p.m. The foundation dinner is scheduled to begin at 7 p.m.

*Where:* The open house is located at the company headquarters in [Mojave, Calif.](#) The dinner will be held in the same location.

*Price:* The open house is a free event open to the public. The foundation dinner costs \$125 per person and includes networking, appetizers and wine with the Apollo II astronauts. For \$800, people can purchase a space leader table that includes seating for up to six people. Sponsors for this event include [IOS](#), [McDonnell Douglas](#), [NASA](#), [Lockheed Martin](#), [Intelisat](#) and [the Kennedy Space Center](#).
